

Mickie,

Remember that time
you helped me buy a
house in the middle of
a pandemic? Well, I
do! I've sat down ~~do~~
several times to write to
you, and honestly I can
never gather the words
to express just how
freakishly thankful I am.
The longer time goes by
and the further distant
all the stress and emotions
go - I have the realization
of just how you fought
for me to be where I am
without any obligation
or knowing of who I am.
It is nothing short of
miraculous and my heart
just sings and cries with

Gratitude and the sheer
magnitude of blessing.
I can't say thank you
enough times and that
is why it has taken me
so long to express it.
Please forgive my silence.
Hear me when I say -
YOU LITERALLY CHANGED
MY LIFE.

May God bless you,
forever and ever and
know that as long as I
live, a piece of your
kindness and pleasant
will to help me, it will
never be forgotten or
taken lightly. I am
where I am in life,
because of you.

With a grateful
heart,
Kleasha S.
